All rates are subject to change.

Applicable fees and taxes may apply and may be additional to these rates.

1. Fees are monthly recurring except where noted.
2. Internet service includes one dynamic IP address.
3. Dedicated INTERNET access services are available to commercial accounts on a customized basis. Consult a NextLight representative for additional information.
4. Unlimited long distance to all 50 states and Canada. NextLight reserves the right to terminate long distance services if usage exceeds what NextLight determines to be normal and ordinary standards of voice use.
5. Per channel, six channel minimum. Includes caller ID, fax support, video call support, directory listing and call forwarding.
6. Multiple static IP addresses require approval by NextLight.
7. Commercial installation charges are based on cost or contract terms.
8. Unlimited, receive inbound faxes only. No outbound faxing included with this service.
9. Hosted PBX rates are per seat and do not include customer premise equipment. Requires NextLight Internet service.
10. Voice access lines include Voice Feature Set, unlimited local calls, and long distance. Cancellation fees may apply.
11. Customer needs to be registered with ARIN for their own ASN. Does not include dynamic routing. Not available for 25M and 50M tiers.
12. Customer is responsible for maintaining service through the required term, otherwise early termination fees may apply.
13. Custom Install Hourly Rate recovers the cost of 1 Technician and vehicle (1 hr minimum), any required materials are additional.
14. 1-10 Gbps available upon request.
15. Toll Free Inbound (per minute) - Continental US: \$0.039.
